COVINA HIGH

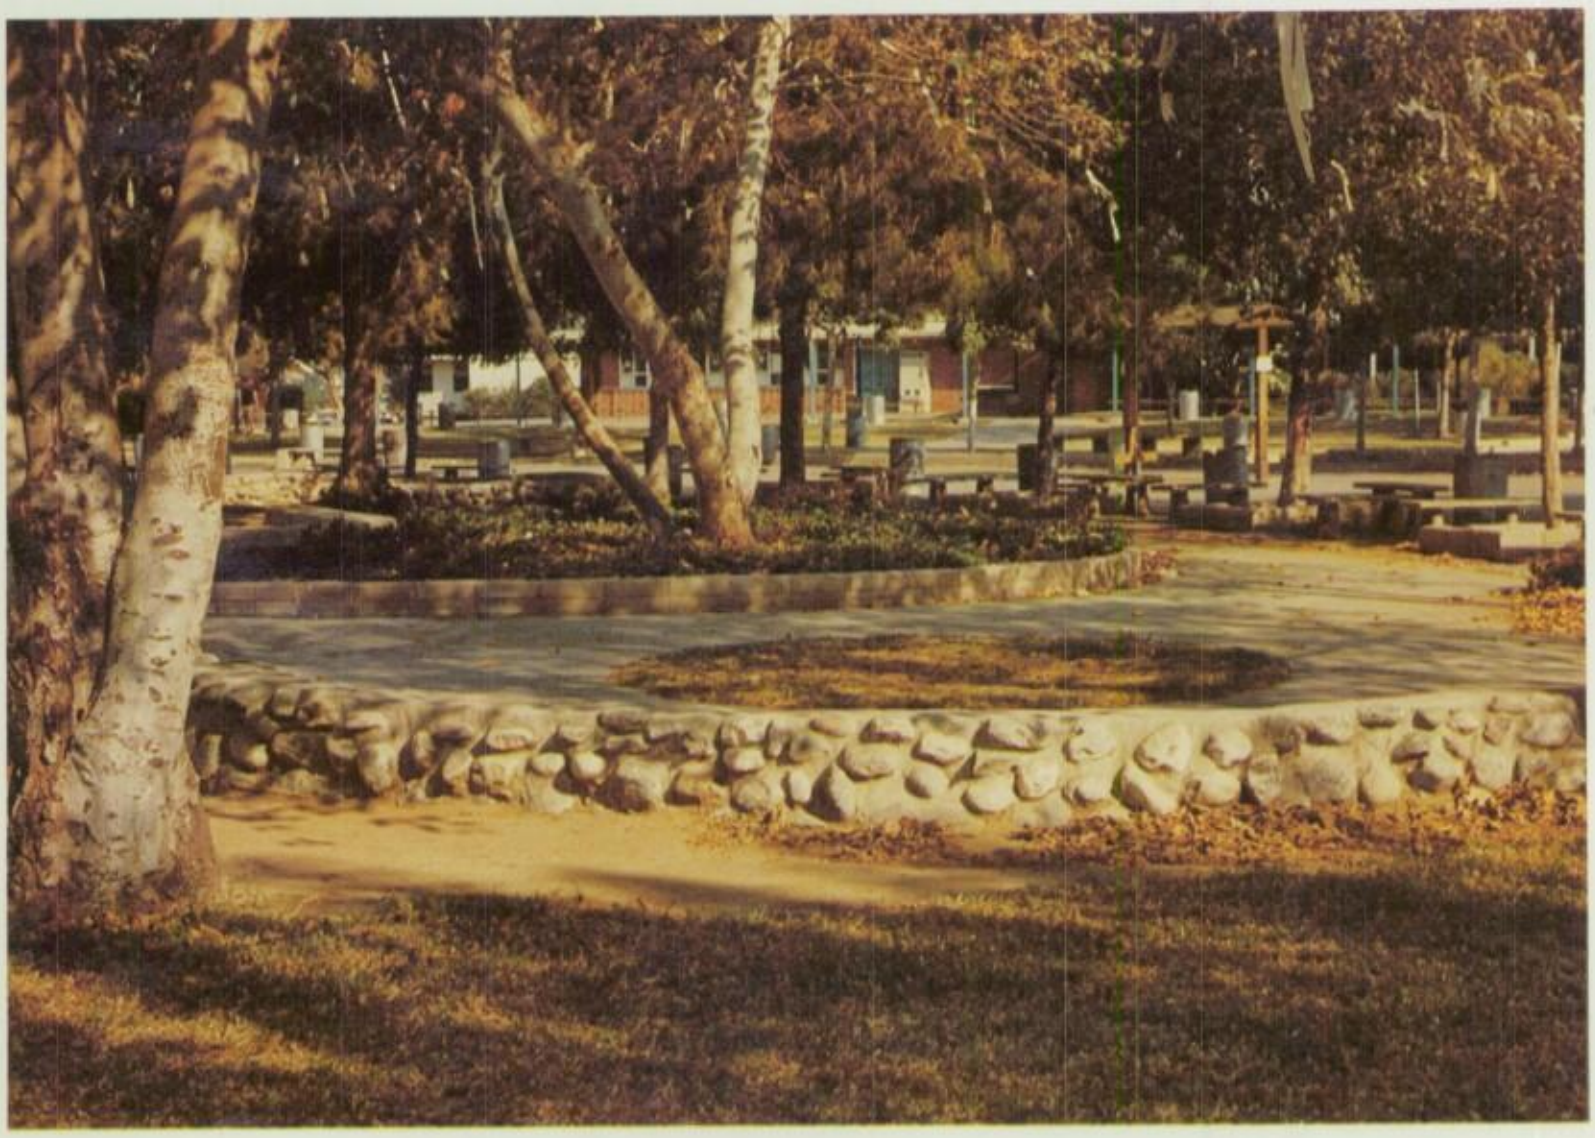
CARDINAL 1979

VOLUME 77



1979 designates the last year in the decade of the 70's. The 70's are now gone but the effect of their events will always linger on.

Covina High has faced many changes throughout the past decade. Changes for the better like a new coat of paint, changes for the worse like vandalism, in which we witnessed lockers being blown apart to the destruction of the Junior Bench. Then there are the changes no one is quite sure about; like a dwindling school population, proposition 13 - is it good or bad, and the big question are we lacking spirit or is everything too much of a routine.

Since Covina High is located in Covina, a city that hasn't had a drastic change for years, the school itself hasn't expierenced a drastic change since it was relocated in 1957.

BUT THEN CAME THE 70'S.

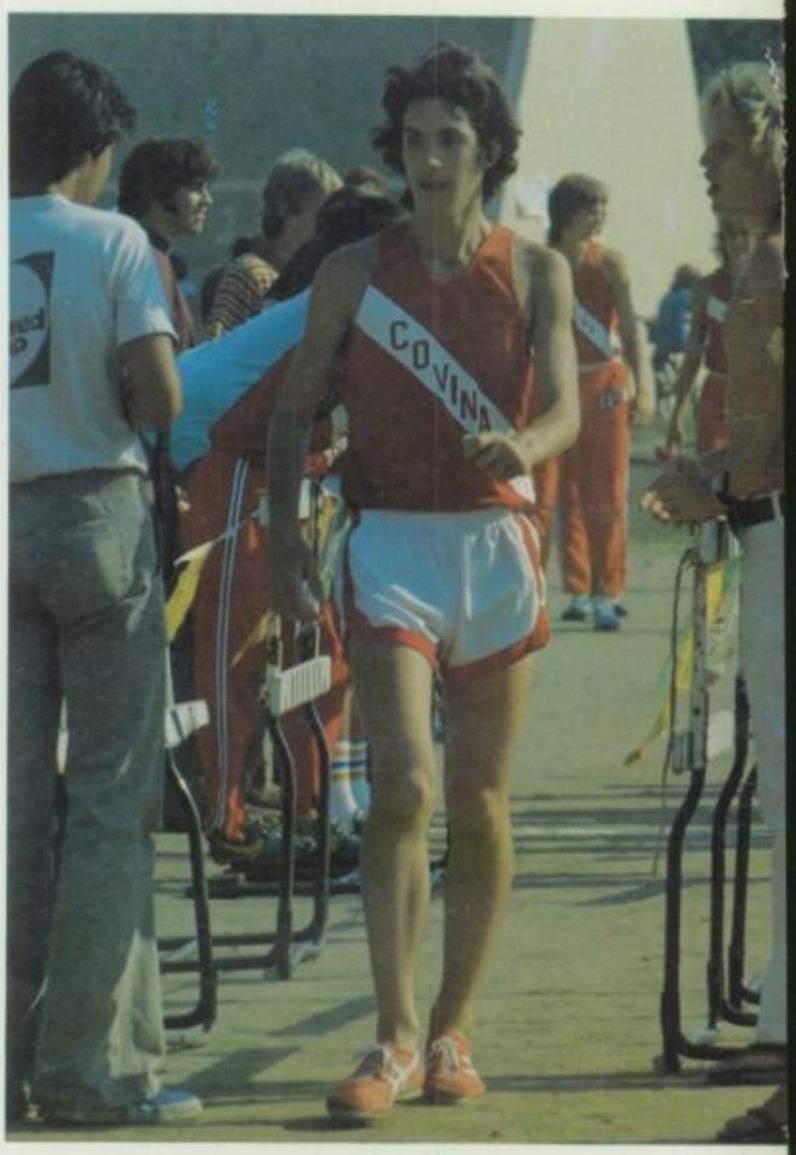
In the early 70's classes used to be on a rotating schedule, so your worst class wasn't always after lunch, In 1972 the cafeteria sold soft drinks for 15¢ and lunches at one time were 35¢. In 1973 the Ag. department installed pipe stalls and later put in a sewage system.

In '77 & '78 the Colt Varsity Cagers repeated their Sierra League performance in a Co-Championship with Los Altos. 1978 Varsity Basketball went to C.I.F. Semi-finals, it was an all around good year for sports, most made it to C.I.F. competition.

In 1978 the Colt campus added a Cardinal & White sign that tells everyone this is the "Home of the Colts". Title 9 was passed. This meant there could be no discrimination because of the sex of a person. Prop 13 which cut back on the school funds was felt strongly by everyone.

In 1979 Covina experienced a change to the Montview League. In the begining of fall we experienced weather where the mercury reached the upper 90's before 7:00 a.m. This caused us to have a few days on a half - day schedule.

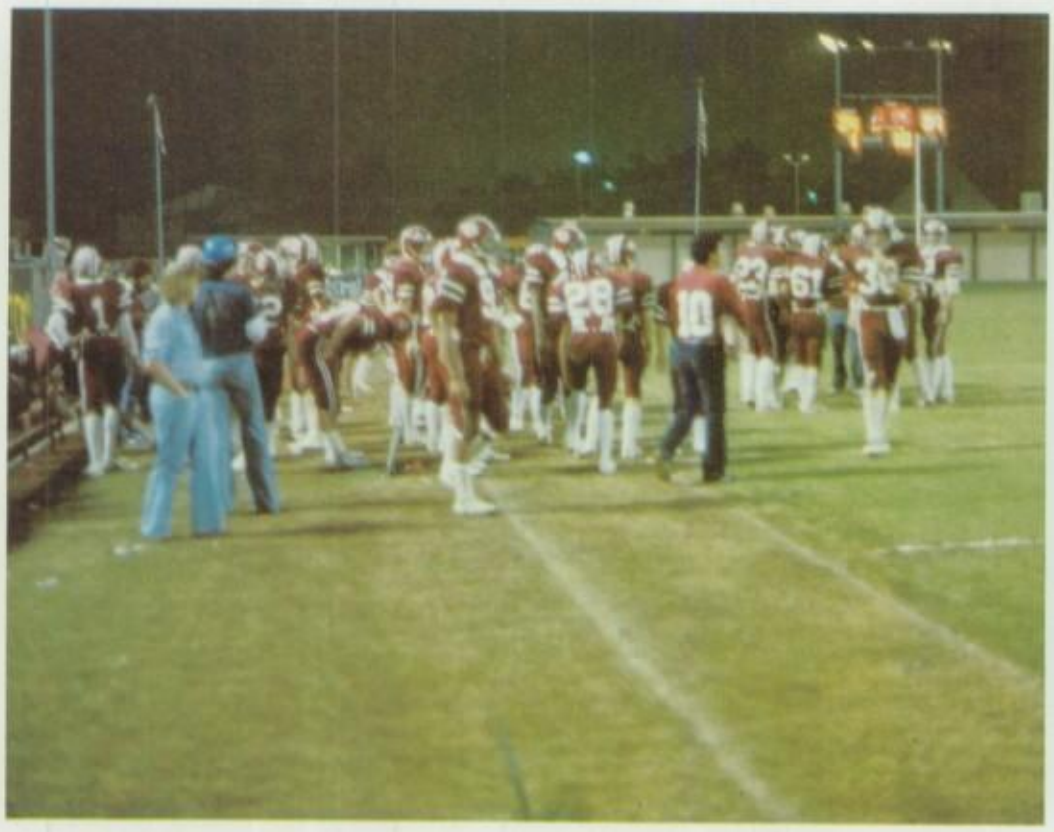
As you sit back and look through this book, reviewing the year in your mind, you might find yourself thinking "that was one heck of a way to kick-off the...

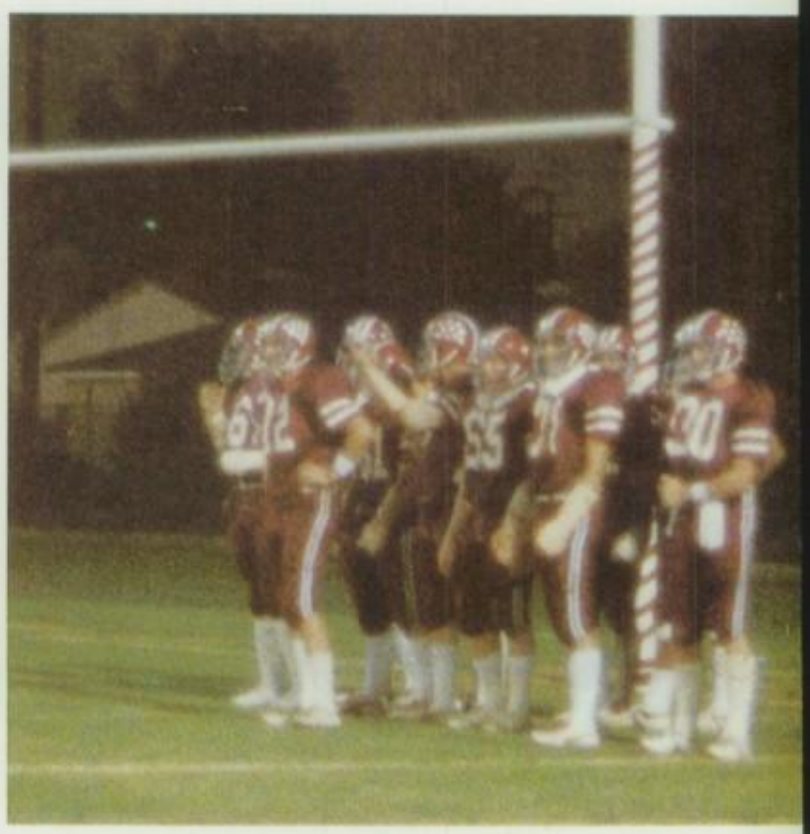


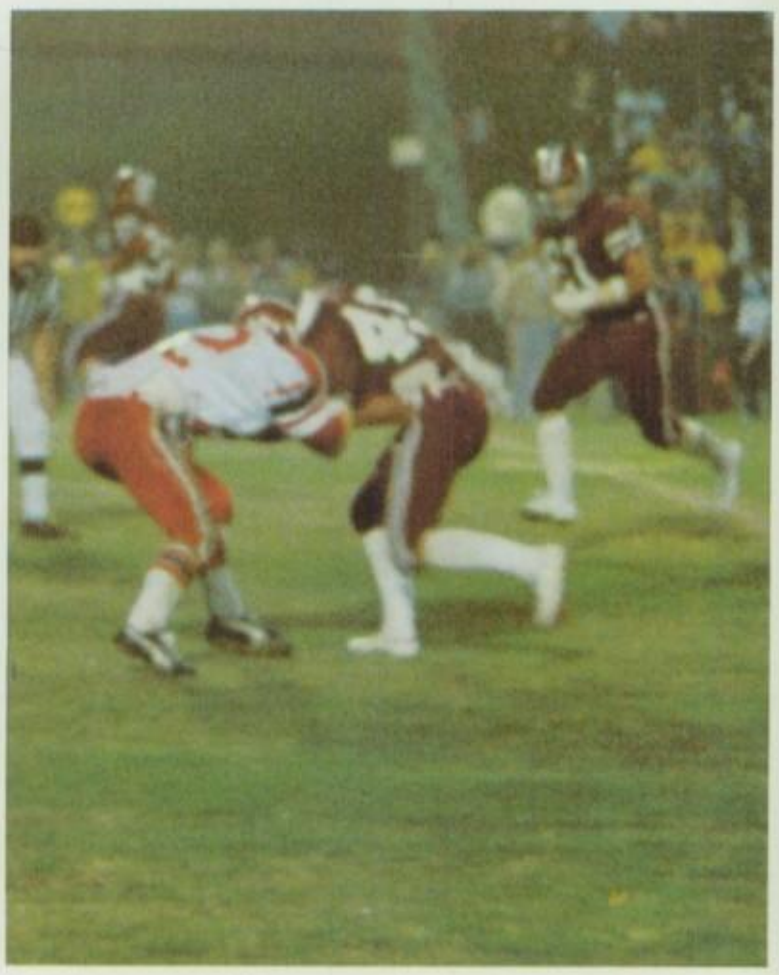
"LAST OF THE

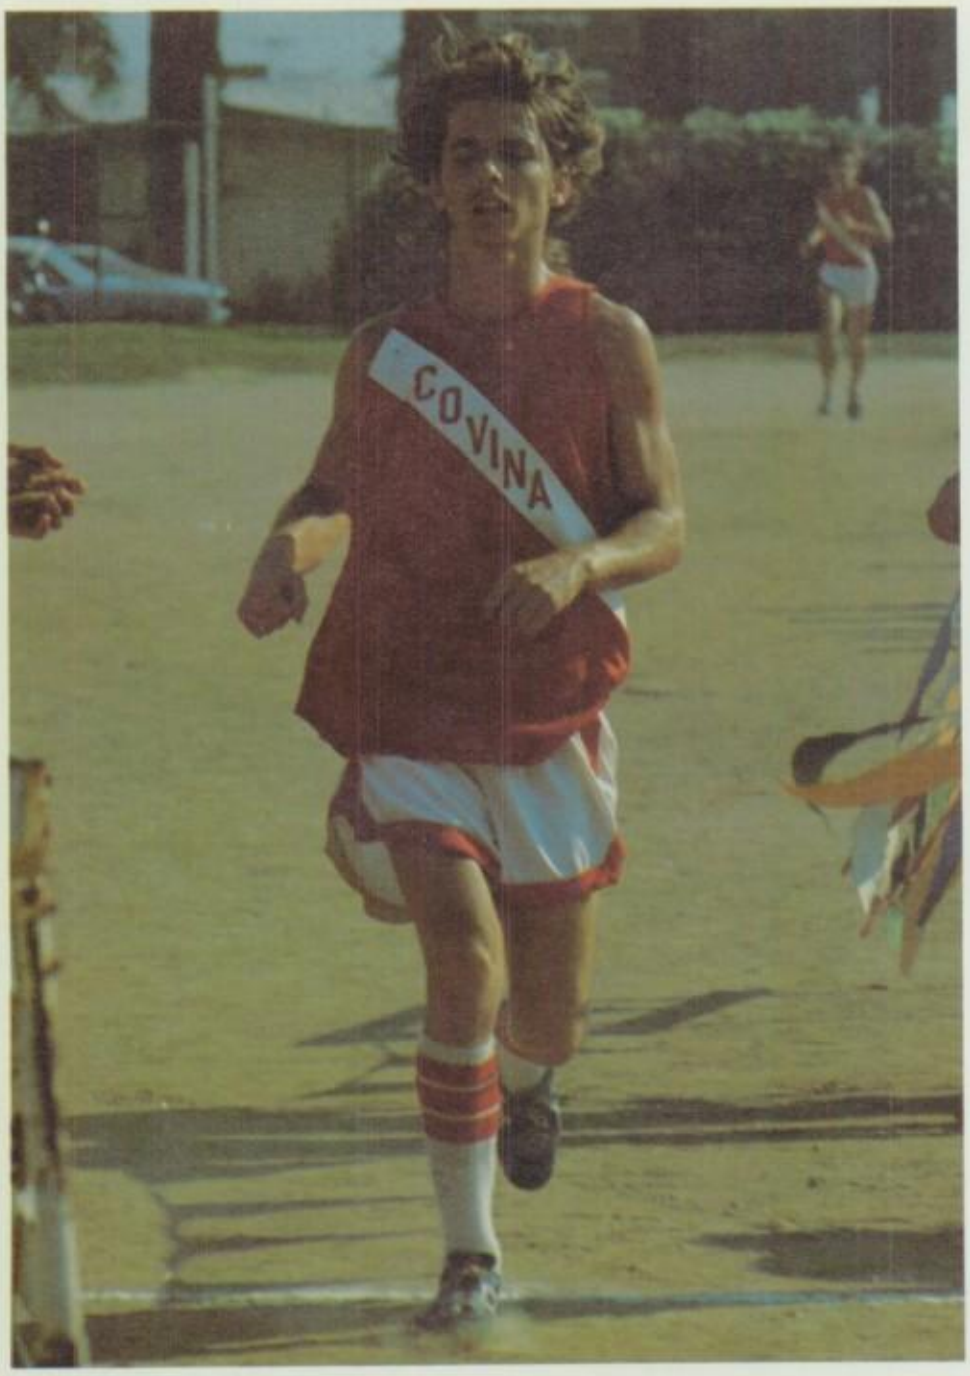
RED - HOT '70'S !! "

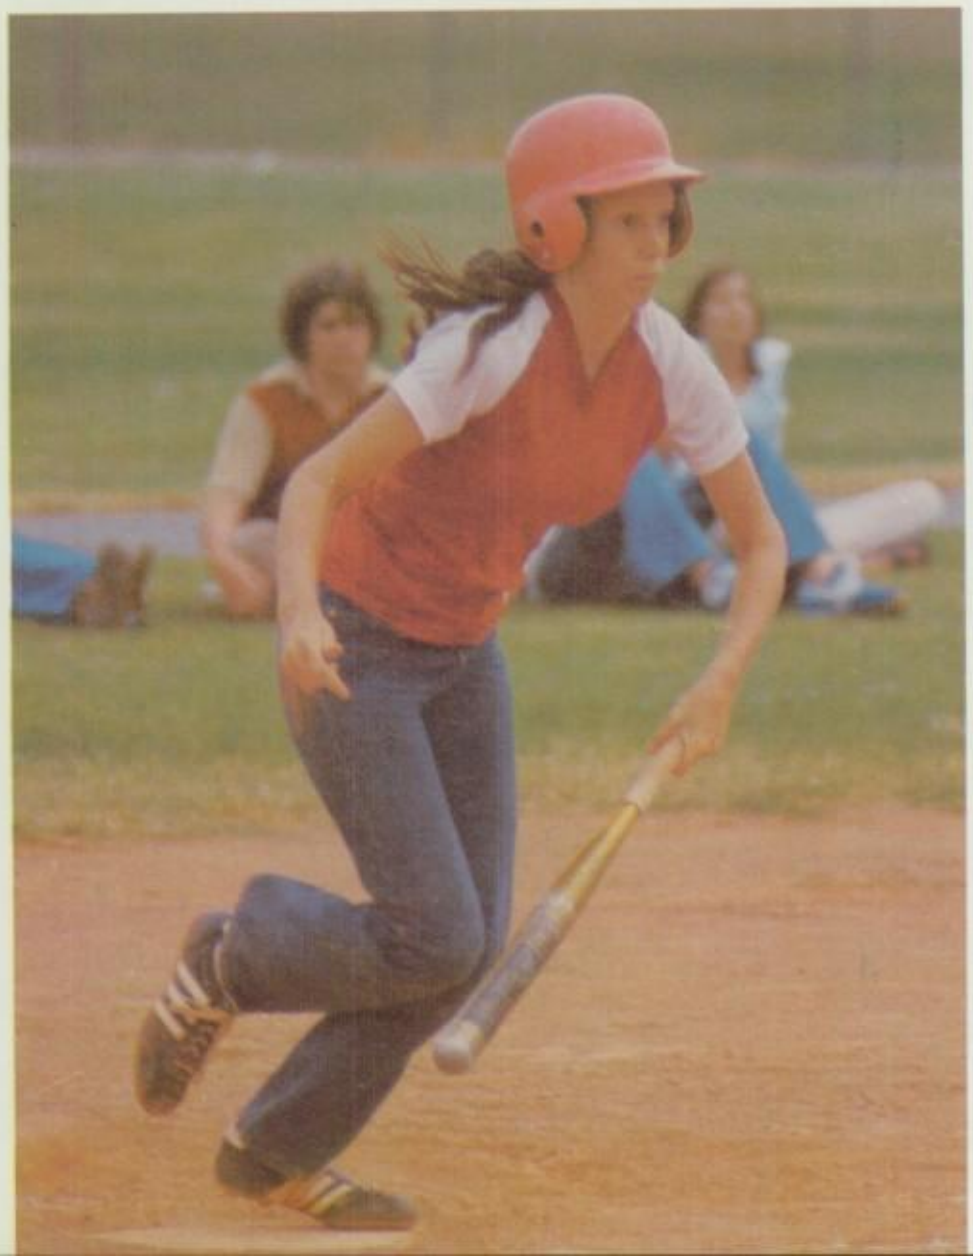
In the past the Colts had been competing in the tough Sierra League, and had enjoyed much success in all sports except football. But this year was different from all the other years in that the Stompin' Stallions went to CIF, an honor not given to the Colts in twenty-four years. The Colts changed leagues because of a loss of enrollment in the student body. Due to this the Colts have competed in the Montview League against cross-town rival Northview Vikings, the Braves of Baldwin Park, Nogales Nobles, Workman Loboes, Azusa Aztecs, and Bassett Olympians. Covina has had a long tradition of having great basketball teams and turning out top college prospects. With consecutive Sierra League championships, this year's team proved to be very powerful in this league and continued their dominance in this sport. The 1978 Colt basketball team did very well last year in reaching the semi-finals in the 3A division, and we had most of the same starting five that led the Colts to their fine season. The Colt athletics have had a fine record in all sports. This proves that the sports here at Covina are a big asset to the school spirit.











SPORTS

Classes shortened, Cheerleaders dressed in uniform, and students dressed to set the theme for each rally. The more spirited people topped with crazy hats on crazy hat day, and some more "wild and crazy" people dressed in their favorite halloween costumes for the halloween rally. These are a few of the usual occurances on the Friday's festivities preceding the weeks sporting event. In the past the students had the option whether or not they chose to go to that days rallies. This came to an end in the 1977 school year when the school's spirit took a drastic plunge; thus the administration made the decision that it was beneficial to the school spirit that all rallies be mandatory attendence for all of the student body. With the change of leagues and a winning football team the school spirit is making a comeback to where it belongs. Rallies are also used to announce many important things such as the homecoming courts, and special awards given to the deserving students.

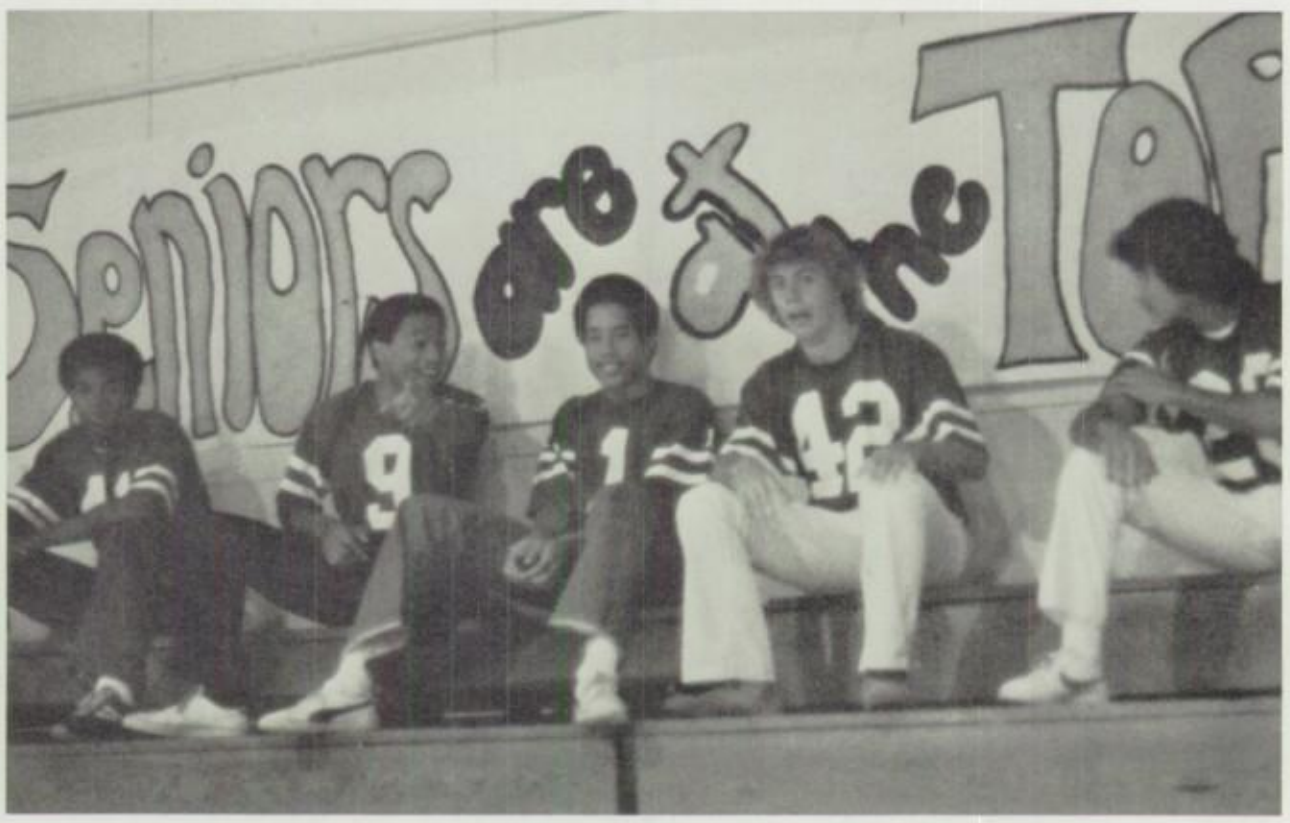
STUDENT LIFE



Seniors

ARE WHAT? RED HOT

The Colt Pep-Units really boosted the school spirit with the help of the new advisor Mrs. Letourneau the girls helped lead the Colt teams on to many victories. The girls put in many hard working hours to raise the spirit at games, rallies, and around the campus. The girls brought back many of the schools old traditions such as bringing out the victory bell for the first time in about ten years. They also gave the school a new idea of having brunch rallies when there was no time for regular rallies. With all their hard work they accomplished in bringing school spirit back to Covina high.

COLOSSAL COLT MARCHING BAND

MOVING OUT LIKE GANGBUSTERS

A group that represents Covina High and the city of Covina too is the Colossal Colt Marching Band, under the direction of Mr. Green and with John O'Neil as drum major.

A bandmember puts in many hours outside of school time to help put on a good show for the crowd at each home football game. They opened up their season with an excellent patriotic show which featured Covina's first majorette in 5 years, Theresa O'Hara.

Their first judged competition was October 14th at Rosemead. There the Colts, much to their dismay, finished with a score of 86.8 which won them no trophies. Shining through was John O'Neil to take a third place trophy among high school drum majors.

Though this organization is only 70 members strong they posess something more important than size. They have that almost forgotten thing - SPIRIT and the want to win, win, WIN!!

Other competitions were; Hawthorne Band Review, Pageant '78, Hollywood Lane and Covina Invitational Holiday parades, and a special performance at Disneyland to help celebrate Mickey mouse's 50th birthday.

1. Mr. Green and John discuss Friday's 1/2 time show while the rest of the band listens.

2. Theresa O'Hara, a Freshman, was Covina's Solo Majorette.

3. Band director of 16 years, Mr. Robert Green.

4. John O'Neil, a Junior, was a highly confident Drum Major who led Covina Proudly.

5. Colt Band practices hard for a near-perfect show.

The Associated Student Body of Covina High is not just a small group of people. It is all the students attending CHS. A group of approximately twenty-five students bring forth the ideas and gripes of their fellow classmates. These twenty-five students make up the ASB council. Mr. Charles Murcer, the advisor of ASB must be in constant touch with the students and he must be aware of their needs. He must strive to meet these needs, if they are possible. Working right along with Mr. Murcer, is the President and the Vice President of ASB. Next in line are the offices of: Secretary of Activities, Secretary of Athletics, and the Secretary of Finance. ASB council also includes four Legislators from each class, and each class President.

CENTURIANS

"JUST A BUNCH OF WILD AND CRAZY GUYS"

The 1978-79 Centurians were a club of many great changes at Covina High School. Led by President Jack Wills, the club broke away from the traditional ways of past clubs and performed such new and "unique" activities as: slave sales, toga parties, serenading homecoming nominees, qnd even overnight camping trips in local cemetaries.

Often being categorized as "radicals" or "campus hypes", these so-called "criminals" did just about everything but go by the rules. The Centaurians, who had the quickest growing membership in the history of Covina High, hopefully have set a new trend for the future campus clubs, obviously changing tradition for the better.

MAKING IT ALL WORTH THEIR WHILE

As in many high schools there are the regular classes such as the math and English classes. But Covina High does things to get the students more involved these things help make school more enjoyable. Besides the sporting events Covina has such enjoyable clubs and groups which make school a little more exciting. Along with the clubs the classes are very exciting. And the faculty and administration do their best to help with this tough task. Such classes that come to mind is the science department they do many great things such as the chemistry classes making peanut brittle and the biology classes make yogert. Many students have the opportunity to help in the offices as aids.

CABARET NIGHT

SHOW IS A BIG HIT

Masque and Dagger's 3rd annual CABARET NIGHT turned out to be a big success. The performers put in long hours of rehearsing to present a well constructed show. Scott Lane, as the sole director of the production, had a big job on his hands. Considering the short amount of time the cast had to rehearse, the audiences enjoyed the colorful, lively entertainment. Popcorn and soft drinks were served on both nights that the show was presented. The money earned from CABARET NIGHT helped to support Masque and Dagger in presenting later productions.

"CENSORED"

So much to do and little time to do it all. Mass confusion began early in January. Committees had until mid-February to sell ads, send out publicity and pick a theme. Though impossible it may have seemed everything worked out well using the theme of KALEIDOSCOPIC SPECTRUM.

On March 10th at 8:00 p.m. the 27th annual Mid-Winter Concert took place in the gym. Mr. Green, conductor at CHS for 17 yrs., brought forth many talented muscians. There were three groups that performed. One was Jazz Ensemble, another was Concert Band; a group that included everybody involved in band. The other group was the 'cream-of-the-crop' Wind Ensemble. The students in this group are chosen to play the more intricate pieces like "KALEIDOSCOPE" by John O'Reilly.

The concert ended with the traditional John Philip Sousa march THE STARS AND STRIPES FOREVER.

Covina's parking lot is a place no pedestrian should be caught once the bell has rung. It houses many cars of different makes, models and years. Whether they are "suppedup" with a personalized plate or primered they were somebody's Pride-N-Joy.

A popular model was the "Kraut Kan" (V.W. Bug) where no two looked exactly alike. Of course there were a few sports cars but they were rare.

Now on these two pages are a few Colts and their Hot-Rods, who just might be the next Mario Andretti-LOOK OUT!!

VARSITY FOOTBALL

COLTS PULL IT TOGETHER

In a sport where team unity is a necessity, the Covina Colts of 1979 have really come together in comparison with teams of the past. The Colts have possessed a new feeling, a feeling that comes with winning. The '78 season opened doors of hope for the Colts as they entered the Montview League. Anticipating a good season the Colts clinched a 6-1 league record which is a great improvement over past squads. The '78 varsity team consists of many fine individuals like Troy West who scrambled up and down the field for a whole lot of yards. And Bill Moore who's spectacular pass receptions helped gain the yards that lead the Stomping Stallions to their many victories.

J.V. FOOTBALL

TALENT FOR THE FUTURE

The J.V.'s did a fine job this year as they played many tough games trying to attain a league championship. John Wolak, at quarterback, and Larry Baab, at tackle, helped lead the team to victory. Excellent performances by all of the sophomores, juniors, and seniors helped give the team one of its most successful seasons in years.

Bill Smith, Pat O'Hara, Joe Gonzales, Larry Baab, Bruce Stienson, Tom Haynes, Russ Maybury, Doug Roberson, Jack Lopez, Manse Sinkey, Ken Impastato, Casey Cannon, Mike Gough, Steve Gardener, Art Cisneros, Shane Schupbach, Ron Carter, Greg Greenough, Buck Henrey, Guy Lombardo, Richard Nixon, Rudy Acevedo, Robert Gonzales, John Wolak.

4. Coach Marc Haygood tells Larry Baab about the importance of having his shirt tucked in while they discuss defensive strategy.

FROSH-SOPH FOOTBALL

CLOSE BUT NOT QUITE!

The Frosh-soph Football team came one game away from a league championship. Going into the final league game of the season they were one game out of first. Our underclassmen only had to beat Azusa for a share of the league crown. But as the final gun was sounded the score read Covina 8-Azusa 8. This tie left the colts at there final standing one game out of the top otch. Our frosh-soph team this year was under the direction of Mr. Dave Barret. Coach Barret's assistants this year were, Dennis Boyer, Steve Root, and Larry Putt.

The Frosh-soph team was undefeated going into the third league game. But they played sloppy and lost to a not so good Northview squad. After that mild upset, the colts bounced right back to defeat Baldwin Park and Bassett. This set up the final league game with the Azusa Aztecs which ended up in the eight to eight tie. There are a lot of fine young athletes on this team. These athletes will help furnish our school with many victories in the future.

1. The Covina offense averaged fifteen points a game. This brought on many victories.

2. Tom Haines kicks another fine boot. Tom was also brought up to the Varsity squad.

3. Pat O'Hara eludes another tackle on his way to another big gain.

CROSS COUNTRY RUNS TO C.I.F.

The cross coutry team, lead by new coaches, Mr. Irv Ray has made it to C.I.F. for the first time in many years. This cross country team is one of the finest ones that Covina has had in many years. This year the Colt runners captured third in the Montview League. The Varsity team is full of excellent runners, most of them returning from last year's team. Covina's top runners include: Dana Roskey, Scott Hanley, and a new addition to the team, Frank Selvaggio. The J.V.'s and Frosh-soph did very well this year too. Both finished 2nd in league and the J.V. got four runners in the top ten at league finals, a good finish for a strong team.

1. Top Varsity runners, and both a one time Runner of the Week, Scott Hanley and Dana Roskey run their way to victory.

VARSITY BASKETBALL

COLTS REMAIN NO. 1

The 1978 - 79 Covina Varsity Basketball team opened its season with a 58-38 victory over Chaffey before entering the Arroyo Tournament where they placed fifth. After an opening victory over Edgewood, the Colts lost to Royal, but bounced back with victories over Arcadia and Muir. Next stop, the San Dimas Tournament of Champions. After an opening loss to Compton, the Colts captured the consolation championship with wins over Carson and highly ranked Downey. Scott McCollum was the key to the Downey victory by scoring 34 points and setting a tournament record of twenty rebounds. The 25th Annual Covina Christmas Tournament remained before league play. After a convincing opening victory over Arroyo, the host Colts lost to Lynwood before completing their pre season with consecutive victories over Northview and Muir and a fifth place tournament finish. Led by front line returning lettermen Scott McCollum, Chuck Marty, Ron Letourneau, Troy West, Eddie Doucette, and guards Dan Melton and Jay Zunich, the Colts entered the Montview league play with a fine 9 won 3 loss mark and ended up making it their third consecutive championship by taking the Montview League. A high C.I.F. finish looks good for Covina. Scott McCollum leads the team and league in scoring with a 25 point 17 rebound average, followed by Chuck Marty and Ron Letourneau both with a 15 point 12 rebound average. Guards Dan Melton and Jay Zunich and Troy West led the well balanced team in assists, steals, and league leading defensive play. J.V. BASKETBALL

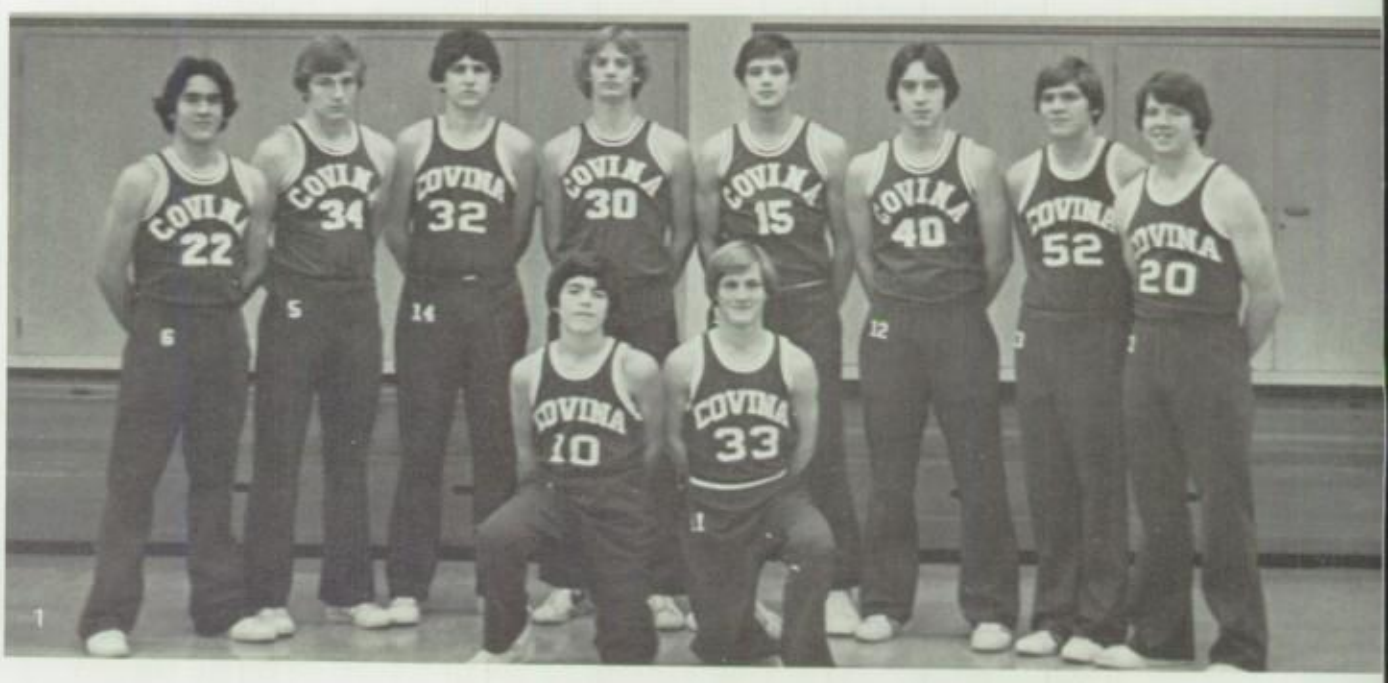
GEARING UP FOR NEXT YEAR

The Colt Cagers had a very inconsistent year. The J.V. hoopsters would look like a strong league contender one game, but the next game they would look like a third or fourth place team. Russ Mayburry was the leading scorer for the colt roundballers. Besides being the leading scorer Russ also dominated the boards with his aggressiveness and fine leaping ability. Southpaw Dave Nemith also proved to be an outside shooting threat. The colts were headed by Coach Viverto who has brought many championships to Covina in basketball and baseball. Coach Viverto's assistant was a new-comer to Covina, Tom Pokorski.



1. L to R: Jim Altier, Steve Schneider, Dave Nemith, Rick Henderson, Mark Rosenbloom, Roger Constance, and Ron Cratty.

SOPHOMORE BASKETBALL

GAINING EXPERIENCE

These young but experienced hoopsters had a very fine year with many exciting games. With expert coaching, they found it easier to have a better than winning season. All the players did very well and there were no real standouts. The boys gained much experience with their great season.

FRESHMAN BASKETBALL

CHS CIF

COLTS CONTINUE DOMINANCE

Cif was a commen word around the homes of the Covina High student body. Since moving into the weaker Montview League the Colts have ventured down the CIF road in many sports. This year was a first in many years that the Colts football team have went to this honorable gathering. In the past the Colts have been the tail end of all high school football jokes, but this year it was different when they lived up to there name of "Stoppin Stalions." And the Colt tradition of winning the league with there tough basketball team rolled on. And the baseball team which had many returning stars continued there winning ways into CIF. And this year we had two athletes finish very high in there sports. Freshman sensation Tom Addington in swiming, and state finalist Brian Allen in wrestling.

And the girls wern't to be left out of the fun finishing high enough to go to CIF in every sport.

VARSITY WRESTLING

2ND PLACE; 2ND YEAR

The 1978-79 Varsity Wrestling team came close again for the second time in two years. The Colts opened the season with a loss to very tough Nogales team, and finished the season by letting no team score more than 19 points per match. There were outstanding efforts put out by all the wrestlers but outstanding individuals were: Freshman Mike Sharp, Sophomore Mike Gough, Juniors Bob Nyeholt, Brett Moore, Marcus Castro, and Don Hodges, Seniors Craig Kendall, Brian Allen, and Barry Foster. Most of the Varsity Wrestlers went to C.I.F. prelims but only two wrestlers Brian Allen and Craig Kendall went to C.I.F. Finals. Both of these wrestlers had a disapointing 2nd place league finish. League champions were Bob Nyeholt 106, Marcus Castro 157, and Barry Foster 168. Last year the Colts made a great name for themselves; this year they kept that same spirit and next year should be another great season.

Michele,
What can you say to a person whom you've known for the past years without repeating yourself? It seems every year we have at least one class together but this year it was cut in half and we only saw each other on occasions. Take care and see you next year,
Love Don

P.S. you shouldn't cheat on History tests!

In the highly rated Edgewood Tournament, the Colts beat San Marino in a very sloppy played game. Then the Colts disposed of the South Hills Huskies. In the semi-finals the Colts nipped host Edgewood 3-2. Then came the finals. This game matched the Colts against the Spartans of West Covina. It figured to be a close game, but the Colts exploded for a 16-0 rout of West Covina to capture the championship. In the tourney Mike O'Hara recieved the M.V.P. for his overpowering pitching as he won all four games. For this feat Mike was announced as the Times Baseball Player of the Week. This years club could be a very powerful one as it has proved in Pre-Season. Against Bonita they recorded a 20-1 victory. Then against Ontario in 5 innings they exploded for a 28-0 win. In the game Bob Arenas set a C.I.F. record for the most R.B.I.'s in one game with 11. Bill Moore and Chuck Marty combined for a perfect game which is very hard to accomplish. THE CLASS OF 1979

SENIORS DOMINATE

This year's Senior class dominated everything! We had our first good football season, so spirit was especially high. Everyone was closer since we had winning teams in every sport for our final year. What a way to go!

The class council worked very hard to pay back all the money they owed A.S.B. after the fantastic prom they had put on the year before. Our attitude was "Go to ___ World, I'm a Senior" and we all had the t-shirts to say just that!!! The class of '79 will live on FOREVER!!!

STRIVING FOR SPIRIT

The Sophomore class was lead by president John Dawson. The class of "81" did such activities as a car wash, bake sales and aluminum can collections. The money from these activities went towards funds for the Junior-Senior Prom. The sophomore class worked hard to rank number "1" in spirit.

CONGRATULATIONS!
CLASS of '79

Michele,

This is my gift
What can I give her
Poor as I am;
If I were a shepherd,
I would give her a lamb.
If I were a wise man,
I would do my part.
But what can I give her?
I will give her my heart.
Michele this is my gift I
hope you understand that
what I'm saying is true
and one more thing I have
to say to you
and that is that
I LOVE You
Jim

BROKEN TRADITION

Most high schools have their traditions. Covina has had its share. But this year there had been many drastic changes. Such as a winning football team, not only having a winning season but this season was the first since 1954 that a Covina football team has went to C.I.F. Something else different besides the leagues was that we captured the Montview League title. This feat has never been accomplished in the past fourteen years. When this season started the girls' sports carried on their total dominance of all sports. Another shock was that the Colt cross-country team went C.I.F. for the first time in their existence.

In most schools they have a secretary of athletics but at Covina we have a female secretary. This title was held by Miss Charm Bishop who was very deserving of this honor. In the past Covina has had a majorette. This was abandoned but this tradition was brought back this year. Homecoming is also a longtime high school tradition. But this basketball season was different in that when the homecoming court was announced the court included Mr. Dave Stephens. And during the week before there was much speculation about whether or not he would go through with the ceremonies. When it was settled that he would go through with this event, the next problem was finding him an escort. That problem was solved with a little help from Miss Sue Cowper. The band also received a First Place at the Christmas Parade, a feat not accomplished in a number of years.

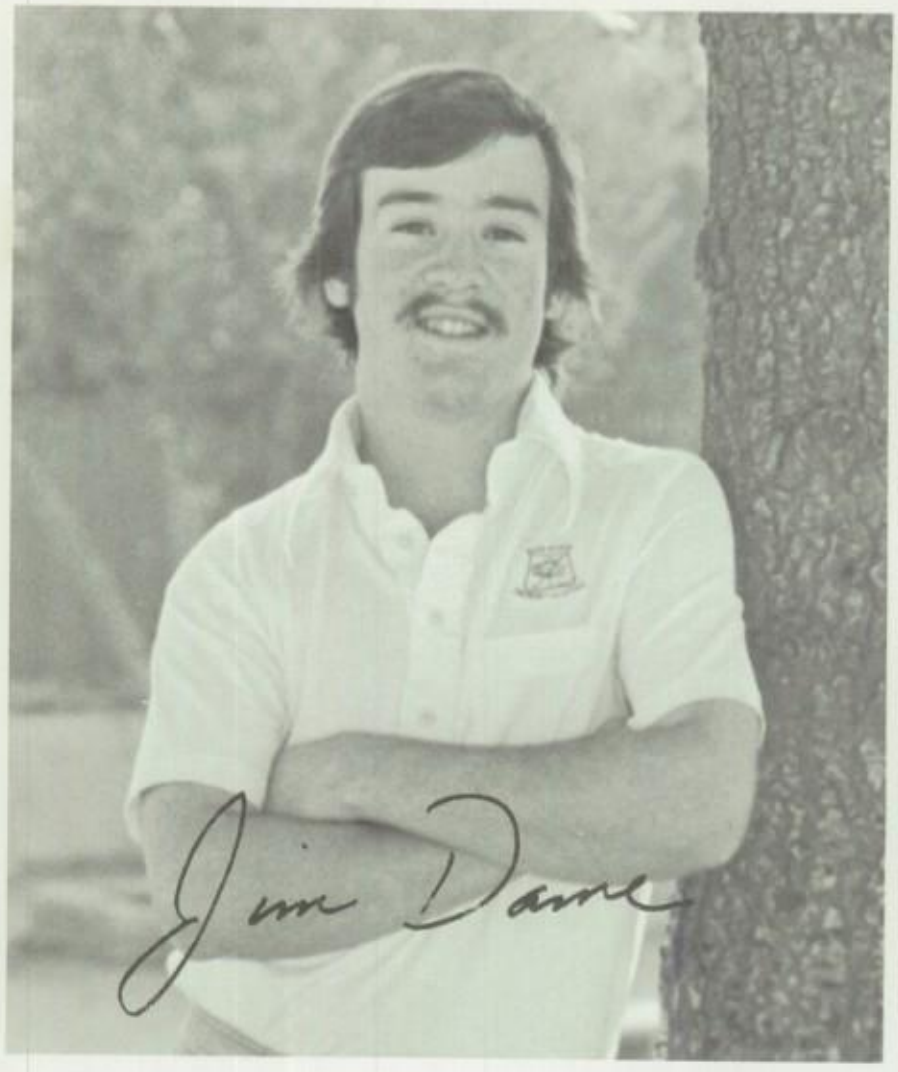
HEY COLTS; SMILE YOU'RE ON CANDID . . . WHAT?

Candid Camera we're not, but through the year and everyday we were able to discover Colts at their candid moments. People, faces and wild ideas make up Colts around campus. So they say they're strange, as pictured in the pep-band on Halloween - isn't that Steve Martin next to the Tooth Fairy, and the other picture, aren't they cute? Others call it spirited, plainly stated by Chris Rogers and Keri Foley. Well what ever you choose to call it there sure were alot of those people around here in 1979.

Here coach Wilson shows the student body we were the Montview Champs. What is Russ Fuerst thinking? What ever it is it's got to be exciting- just look at him. Alma Rosales gives us her big smile, adding a little cheer to the campus.

Now who says Band members are weird? Steve Schneider take the 1/2 time show serriously, as do most.

What ever it was that compelled these people to do what they did (look at the guy dressed in baloons!) made Covina a nice Campus to be around, and hopefully you were a part of that enjoyment. If you weren't maybe at least you enjoyed seeing others having fun, because that's what makes Covina enjoyable being an Individualists.



1979. The last year in the 70's decade. Some very spectacular things have happened to Covina High that in the past have been a far away dream with little hope of coming true.

For over 20 years people of Covina have longed to feel the "thrill of victory" with the varsity football team, instead we were the victims of mockery for winning five games at the most. Then in '79 we experienced a complete turn around, losing only one game in the Montview League which gave us first round CIF competition. Colt spirit was at its highest.

Something that in the eyes of it's members could never happen to Colt students just because they went to Covina High was to win a trophy in the Covina Christmas Parade. It seemed like forever, but then overnight the Colt Rythmettes finished with a 2nd place, the Drum Corps came in 3rd and band finished in first place and first among city bands in our area. They finally came home with some "hardware".

Who said Dreams can't come true? Cross Country had its largest team in a long while; School records were broken right and left and they too had a team representing them in CIF competition, as did Girls' Volleyball. Girls' tennis had the #1 singles player (Mimi Wenner, 36-0), Girls' Basketball kept up the winning streak by finishing #1, as did Boys' Swimming.

So what made this yearbook so great? A yearbook can't be described as something the Editors put together when there are so many people involved; to those people we say "THANKS!"

First our advisor, Mrs. Rasmussen, who was able to stay calm, even when we missed every deadline. Mr. Thomas, our yearbook representative, the man with the dirty work, who managed to show up for pages we were still working on. The photographers, Mr. Giboney and Staff, and anyone else who took a picture, always were able to put up with the people who questioned our choice of pictures. Then there's the staff. The one's who stuck by us through thick and more thick. Without them this book wouldn't be in your hands.

And last but not least our critics, the students of Covina High, yes that's right, you're the people who bought this book to recall the 78-79 school year a winning year, a happy and successful year.

Now that you're finished with your book we hope you won't complain about the picture with your name misspelled under it (and you're not even in that picture) or that your picture is only in here once (and it's your class picture), instead you could be proud you went to Covina and your 79 CARDINAL is something to be proud of.
